

# AMGEEN MINERALS

Plot No.2605, G.I.D.C.Estate, Phase-IV, Vatva, Ahmedabad-382 445 (Ph.079-25840380 \ 173)

**Dear Sir, We Offer Our Products as under.....**

| PRODUCT NAME                           | PRODUCT NAME                              | PRODUCT NAME   |
|--|---|--|
| <b>ALL.SILICATE POWDER-ORDINARY</b>    | <b><u>CHINA CLAY POWDER</u></b>           | <b><u>ALLUMINIUM STEARATE POWDER</u></b>               |
| <b>ALL.SILICATE POWDER-SYNTHETIC</b>   | <b>CALCINED CLAY-T-100</b>                | CALCIUM STEARATE POWDER                                |
| <b>ALL.SILICATE POWDER-PPT</b>         | <b>CALCINED CLAY-T-90</b>                 | SODIUM STEARATE POWDER                                 |
| <b>ANTISETTLING AGENT</b>              | <b>CALCINED CLAY -K-80</b>                | ZINC STEARATE POWDER                                   |
| BARIUM SULPHATE POWDER-PPT             | CHINA CLAY POWDER "KAOLINE"SR             | <b><u>SILICA POWDER</u></b>                            |
| <b>BRIGHTEX POWDER</b>                 | CHINA CLAY POWDER "SP-X"                  | SILICA POWDER "PPT"SP"                                 |
| <b>BENTONITE POWDER"MICRO"</b>         | CHINA CLAY POWDER "XXX"                   | SILICA POWDER "PPT"                                    |
| <b><u>BARYTES POWDER</u></b>           | CHINA CLAY POWDER "SUPERFINE"             | SILICA POWDER-PPT(CS)                                  |
| BARYTES POWDER"10 MICRON"              | CHINA CLAY POWDER "E.W-MICRO"             | SILICA POWDER "M.F-WHITE"                              |
| BARYTES POWDER "MICROFINE"             | CHINA CLAY POWDER "EXTRAWHITE"            | SILICA POWDER "M.F-OFF"                                |
| BARYTES POWDER "MICRO-D"               | CHINA CLAY POWDER "S.F-MICRO"             | SILICA POWDER (500)                                    |
| BARYTES POWDER"M-3"                    | <b><u>CARBON BLACK POWDER</u></b>         | SILICA POWDER (300)                                    |
| BARYTES POWDER "S.S.W"                 | CARBON BLACK N-220                        | SILICA POWDER (GRENUAL-0)                              |
| BARYTES POWDER "MICRO-R"               | CARBON BLACK-N-330                        | SILICA POWDER (GRENUAL-I)                              |
| BARYTES POWDER "S.S.W-II"              | CARBON BLACK POWDER "S.F"                 | SILICA POWDER (GRENUAL-II)                             |
| BARYTES POWDER "S.W."                  | <b><u>DOLOMITE POWDER</u></b>             | SILICA POWDER (GRENUAL-III)                            |
| BARYTES POWDER "O.W"                   | DOLOMITE POWDER-"C"                       | SILICA POWDER (GRENUAL)MIX-10                          |
| <b><u>CALCITE POWDER</u></b>           | DOLOMITE POWDER "10"                      | <b><u>SOAP STONE POWDER</u></b>                        |
| CALCITE 2F "TURKEY"                    | DOLOMITE POWDER "20"                      | SOAP STONE POWDER "888"                                |
| CALCITE POWDER KC2P- "VIETNAM"         | DOLOMITE POWDER "500"                     | SOAP STONE POWDER "777"                                |
| CALCITE POWDER "EGYPT"                 | DOLOMITE POWDER "400"                     | SOAP STONE POWDER "E.W-K"                              |
| CALCITE POWDER "1010"W                 | DOLOMITE POWDER"300"                      | SOAP STONE POWDER "SPECIAL"                            |
| CALCITE POWDER"1015-A"                 | <b><u>D.E.G</u></b>                       | SOAP STONE POWDER "10"                                 |
| CALCITE POWDER S-2                     | N.P. 9.5 MOL                              | SOAP STONE POWDER "MICRO"                              |
| CALCITE POWDER "15-C"                  | OP.10 MOL                                 | SOAP STONE POWDER "SUPER AMGEEN"                       |
| CALCITE POWDER "1020"                  | <b>OPAQUE POWDER</b>                      | SOAP STONE POWDER "DELUX-MICRO"                        |
| CALCITE POWDER "1015"K                 | <b>GRAPHITE POWDER</b>                    | SOAP STONE POWDER "DELUX"                              |
| CALCITE POWDER (AMOWHITE)              | <b>INDYWHITE POWDER "MICRO"</b>           | <b>SOYALECITHIN</b>                                    |
| CALCITE POWDER "EMULSUN"               | <b>MANGANESE ORE POWDER</b>               | <b>TITANIUM DIOXIDE POWDER "RUTILE"</b>                |
| CALCITE POWDER "SUPERFIX"              | <b>MICA POWDER"WHITE"</b>                 | <b>TITANIUM DIOXIDE POWDER "ANATASE"</b>               |
| CALCITE POWDER "K-5"                   | <b>MICA POWDER "MICRONISED"</b>           | <b>UTOX POWDER</b>                                     |
| CALCITE POWDER "K-4"                   | <b>MICA POWDER "ORDINARY"</b>             | <b>VERMUCULITE POWDER</b>                              |
| CALCITE POWDER "AM-20"                 | <b>PINE OIL</b>                           | <b>WHITTING CHALK POWDER "MICRO"</b>                   |
| CALCITE POWDER "AMOCAL"                | <b>QUARTZ POWDER"AMOSIL"</b>              | WHITE WHITTING "MICRO"                                 |
| CALCITE POWDER "ORDINARY"              | <b><u>RED EARTH POWDER</u></b>            | <b><u>WOLLASTONITE POWDER</u></b>                      |
| <b><u>CALCIUM CARBONATE POWDER</u></b> | RED OXIDE POWDER SYNTHETIC                | WOLLASTONITE- "KEMOLITE- K- 1010                       |
| CALCIUM CARBONATE POWDER "ACT"         | RED EARTH POWDER "SEMI"                   | WOLLASTONITE "KEMOLITE-KS-2"                           |
| CALCIUM CARBONATE POWDER"2C"           | RED EARTH POWDER "MICRONISED"             | WOLLASTONITE POWDER "K-60"                             |
| CALCIUM CARBONATE POWDER "PPT"         | RED EARTH POWDER"L"MICRO                  | WETTING & DISPERSING AGENT                             |
| CALCIUM CARBONATE POWDER "HEAVY"       | RED EARTH POWDER "L "                     | <b>WOLLCOAT(anti-corrosive&amp;part replc of tiO2)</b> |
| CALCIUM CARBONATE POWDER "N-5"         | <b><u>STEARATE POWDER</u></b>             | <b>YELLOW EARTH POWDER</b>                             |
| CALCIUM CARBONATE POWDER "N-3"         | <b><u>SODIUM ALUMINO SILICATE"ZX"</u></b> | <b>YELLOW OXIDE "SYNTHETIC"</b>                        |
